Wendy E. Pollarine, President 2008

Jean Heine, Executive Secretary

# Chamber Monthly, January 2009

## President's Corner

The year 2008 has flown by, with several changes in the chamber. Now we can reflect on our past year's accomplishments and look forward to the coming year.

The past year brought about some exciting things in the chamber. As usual a successful golf outing, providing five Revere graduates with deserving scholarships.

Another wonderful event, the Sweet Corn Challenge, which not only places Richfield on the map, it fills our hotels and provides additional income for all of our restaurants as well as the Chamber and the Town Trust. The chamber began sponsorship of the SEE program, which teaches high school students to write business plans. An update and upgrade to the web site was completed, and another new slate of officers voted in.

We transitioned the management of both our main fund raisers, the golf outing and the Sweet Corn Challenge. *Karen Smik* and *Amber Chapman* co-chaired the golf event this year and might I just add did a wonderful job. The transition was seamless.

*Sue Serdinak* has organized the Sweet Corn Challenge since it's inception over 14 years ago. She obtained help from several individuals this year to chair certain responsibilities. Sue oversaw everyone's efforts, but we managed to provide her with some needed relief and the ability to actually enjoy her summer.

As a final note, I have enjoyed serving as president this past year, and look forward to remaining active in chamber activities and events. I would also like to invite anyone who is in-

*Let's do lunch in 2009!*

Watch for monthly notices in the newsletters.  
Provide your email address to get notices on-line!

An update will be emailed  
regarding the annual banquet  
as soon as a date is confirmed.

terested to contact the chamber office should you have any ideas on how we could better serve you and your business. As always, I welcome ideas for the web site. I do hope everyone has a safe and happy holiday and we all have a prosperous new year.

## 2009 "Links For Education" Golf Outing

It's already time to start thinking about the Chamber's 2009 "Links for Education" Golf Outing which will be held on Wednesday, June 17, at St. Bernard's County Club in Richfield. Funds raised from this 12th annual event will help provide scholarships for Revere High School graduating students. We're now looking for individuals who would be willing to serve on the event committee, attend a few planning meetings, as well as help at the actual golf outing. It's a relatively small investment of your time which will provide a substantial dividend for some deserving young individuals! If you're able to help, please contact Karen Smik at 330-659-4750 or kls1650@roadrunner.com

## Member Spotlight

*Elene Konstantinopoulos* would like to share an amazing skin care prod-

uct with you. She has problem skin since she was 14 years old and tried just about every product out there to try to improve her skin condition. In her search, she came across Deluvia Skin Care and Demure Mineral Dead Sea Cosmetics.

Deluvia Skin Care uses minerals and natural ingredients such as magnesium, chloride, bromide, sodium chloride, iodine, potassium, calcium

from the Dead Sea to create products that are good for the environment as well as your skin. Two of the main ingredients in the Demure Mineral Cosmetics used in the formulations are zinc oxide and titanium dioxide. These ingredients are well known for their anti-inflammatory benefits and actually help calm the skin. Zinc oxide also has anti-microbial properties. In fact, plastic surgeons and dermatologists routinely recommend mineral makeup to patients who have had laser treatments, microdermabrasion, peels or plastic surgery. These two minerals even offer natural broad-spectrum sun protection.

Like Elene had done with so many other products, she decided to give them a try and to her surprise, they actually worked to improve her skin. She was so impressed that she called the company and asked to become a sales representative. With her persistence and belief in the product, they have allowed her to sell all the products. She is the proud owner of **Revitalize Inc.** You may see the photoshow [www.photoshow.com/members/ekonstantinopoulos](http://www.photoshow.com/members/ekonstantinopoulos). Call 330-666-1648 or e-mail [elenetk@aol.com](mailto:elenetk@aol.com) with any questions or to make an appointment to experiment the Dead Sea.
