Chamber Monthly, June 2008

Member Spotlight

At **Integrative Wellcare Inc.** Dr. Cheryl Leuthaeuser, D.O. is already serving patients from 70 counties of Ohio and 24 states; 80% are children. Primarily chronic conditions; not a primary care physician, Dr. Cheryl is often sought out to treat children for one of the 4 "A's": severe Allergies, severe Asthma, ADHD and Autism. She also sees

patients for hormone imbalance, fibromyalgia, migraines and other chronic conditions primary care doctors have not yet been able to successfully treat. As an Osteopath and Integrative Medicine physician, Dr. Cheryl treats the entire body looking for root causes instead of just treating symptoms. Although she is a fully licensed prescribing physician, she tries very hard not to prescribe pharmaceuticals unless absolutely necessary.

Dr. Cheryl chose the 1841 cottage at 4003 Broadview Rd. to provide a comfortable, non-threatening environment for the children she treats; many of whom have already seen 4-5 doctors by the time they visit her. She also never wears white because children learn very quickly that people in white coats give them shots. Recently, Dr. Cheryl acquired another small century home around the corner for her out of town patients to have a free place to stay overnight if needed.

Dr. Cheryl is Board Certified as a Family Medicine Physician and in Neuromusculoskeletal Medicine/Osteopathic Manipulation. She is also a certified Defeat Autism Now doctor, specialty utilizing proven Biomedical treatments for Autism.

Please visit Dr. Cheryl's web site at

President's Corner

The saying is 'May showers bring spring flowers'. Well, we certainly should have enough spring flowers this year. As we move into the summer months we need to think of working on those projects that sit all winter. The new web site is going to feature a help wanted section. With summer approaching, this may be a perfect time to introduce this section. Should your business require some additional part-time help, even if it is for one day, we can post it. The goal is to build collaboration with the school system to help employ some of the Revere High School students, with either a job in their field of interest or a job just to earn a few extra dollars. So, with that in mind, please forward your help wanted ads to me at wendy.pollarine@nationalcity.com. The web site should be up and running in the coming month.

Don't miss June's luncheon as we will have Timothy Dimoff founder and President of SACS Consulting and Investigative Services Inc. Mr. Dimoff is going to discuss 'things you need to know for personal and professional

in developing training programs for corporations, this is a must see presentation. Clear your calendars and plan on attending to hear Mr. Dimoff speak. You'll be glad you did!

May's luncheon featured Diane Jablonsky, from the Federal Reserve. She discussed document safety. If you missed this informative presentation, we will post the web site you can visit and we will post it on our web site next month.

Keep the date June 12th open for the Business Expo held at the Cuyahoga Community Career Center from 3pm to 7pm. I will forward the flyer showing how to sign up for a booth, which chamber members receive at a discount. This should be an exciting and informative event.

Keep June 18th open for the 2008 Links to Education Golf Outing. The committee is now soliciting hole sponsors and raffle prizes, call 330-659-4750. I hope everyone can make sure they support a worthy cause as funds are supplied to provide scholarships to graduating Revere High School students. Eddy's 15th Annual Sweet Corn Challenge is scheduled for July 27th, please call the chamber offices to see what you can do to help with our largest fundraiser.

Cut Your Workers' Compensation Premium

The BWC permits programs which can dramatically reduce your premium. By far the greatest discounts are enjoyed by our members in the Group Rating Plan. Some members enjoy an -85% discount.

Not all members may qualify for group rating. Many of those that don't may obtain a 10% discount and potential 20% rebate through the Premium Discount Program Plus.

The Drug-Free Workplace Program may be added to any rating plan for an additional 10% to 20% discount. If you have less than 25 employees, you also can qualify for up to a 20% rebate.

The Safety Council Participating Discount Program makes available up to an additional 4% premium rebate and may be used in conjunction with any of the above programs.

There are still more programs and strategies available to reduce your cost. For more information or a no cost, no obligation analysis of the programs the best fit your needs contact our Workers' Compensation Administrator, Baylor Associates at 440-546-7600 or 800-433-1922
