Chamber Monthly, June 2010

President's Corner

I am excited to announce that the Chamber Scholarship Committee has voted on the applications received this year. The Chamber has awarded six-\$1000.00 scholarships to Revere graduates. The scholarships will be presented June 4. This was made possible from the sponsors and

participants in the annual "Links for Education" golf outing. This is our 13th year of providing scholarships to Revere graduates. Please check the chambers Web site for more information and registration forms. If you can't make it, consider being a sponsor.

I would like to give a special thank you from the Chamber to Janet Jankura. Janet is a Richfield Township Trustee. She gave the "State of the Town" presentation at last month's luncheon. Janet did a great job explaining how the Township is doing with current and future projects.

Let's do lunch!

Sweet Corn Challenge Registration Open

The plans are mostly in place for the Chambers annual bicycle event. The 17th Annual Eddy's Bike Shop Sweet Corn Challenge will bring a couple thousand people to town on July 25 and leave behind the funds that help the Chamber to operate. Because of the money generated by the event, the Chamber is able to have an executive secretary and an office with a strong community presence that offers a support system to the business. In addition, the original purpose of the event has been maintained, which was to stop the decline of the central area or "downtown" of

Electric, Fussy Cleaners, Regina Health Center, OSA of Nurse Anesthetists, OE Connection and Dr. Farkas, who provided first aid kits. Registration is now open. Pick up a brochure and registration forms at the Chamber office or visit sweetcornride.com Sign up your family, a team from your office or you alone and cycle around several communities with over 2,000 of your best friends. Thank you to all who have volunteered to work before, during and after the event. We can always use more help. For more information about the event, please call Sue Serdinak at the Chamber, (330) 659-3300.
