Scholarships

This year's Richfield Chamber of Commerce scholarships were presented by Chamber President, *Jason Long*, as part of the Awards Assembly on Friday, June 5 at Revere High School. Seniors Hanna Gabriel, Andrew Leubitz, Amelia Trautman, Emilee Vitez and Katrina Weimer were each awarded \$1,000 to help defray their costs for higher education. Each year

these scholarships are given to deserving students who will be furthering their education after graduation. They are made possible by the proceeds from the annual Chamber of Commerce "Links for Education" Golf Outing and Steak Roast.

Congratulations and best wishes to each of the recipients!

Links For Education

Our 12th Annual Golf Outing, "Links for Education", held June 17 at St. Bernard Country Club in Richfield, was a success, with 88 golfers taking to the greens to help raise funds to benefit the Chamber's scholarship program for deserving Revere High School students to further their education after graduation. Also instrumental at the outing itself were *Kristine Brill* and *Don Larsen* who helped with our putting contest. Our gratitude also to *Debbie Fike* and the staff of **St. Bernard's** who, as always, did an outstanding job hosting our function and assured that it ran smoothly from beginning to end.

A large part of the event's financial success, in spite of the current state of our country's economy, was due to the generosity of local businesses and individuals who sponsored holes, donated raffle items and/or made monetary donations.
