

What Is the Richfield Chamber of Commerce?

◆ A New Business Partner

Your most valuable, yet lowest paid employee, taking as much interest as a partner but leaving you the boss. Committees of business and professional people voluntarily working to improve your business opportunities.

◆ Another Voice

Joined with the opinions of other civic and business leaders your ideas are amplified through a cooperative “voice of business” and acquire additional strength.

◆ Another Pair of Hands

The Chamber answers calls and emails relative to every imaginable question concerning Richfield and the area. This correspondence would go unanswered if there were no Chamber. The goodwill and accurate information furnished has incalculable value to the community as a whole.

◆ A Tireless Salesman

The Chamber provides a clearinghouse of information needed by prospective businesses, visitors and residents. The members work to influence new and expanded business growth in the area.

◆ Another Front Office

The Chamber is the place where visitors gain their first impression of the hospitality and soundness of the community. The Chamber has a staffed office 40 hours a week in the Scrip-Type building at 4300 W. Streetsboro Road. Requests for business information are referred to Chamber members.

◆ A Necessary Business Expense

In the same relationship to your business as rent, utilities, advertising and payroll, your membership is an investment and should never be considered a contribution. Membership dues have stayed the same for ten years.

◆ Group Rating for Workers' Compensation

The Chamber has aligned with ARM Baylor to make available a worker's compensation group rating program for all members.

◆ Networking

The Chamber creates many opportunities for members to network with other local business leaders and community officials. Ongoing luncheons offer business-related speakers each month.

◆ Why You Need The Chamber And Why The Chamber Needs You

When you, as an individual or a business, express your opinions and make your contribution in a cooperative effort with other businesses, you have influence and things get done. The Chamber of Commerce offers the vehicle for this community clout - to stimulate economic development, to work with legislators on major issues affecting the local cities and counties, to develop social responsibilities, and to promote the free enterprise system. Working together ultimately means working for you.
