DECEMBER 2011

Season's Greetings!

It is hard to imagine that we are at year's end and the Holiday Season is upon us, but here we are. Many homes are illuminated with their holiday lights and we have had our first dusting of snow. Get your snow shovels out and hunker down!

• Chamber Business of the Year

Richfield has many outstanding companies. For the first time, the Richfield Chamber of Commerce will recognize one outstanding company as the "Richfield Business of the Year" at the Annual Banquet on January 25. The announcement will be made at the annual dinner on January 25th. We plan to make this a tradition.

Please send any suggestions for this award to mail@richfieldchamber.com.

• Some Richfield news: Weatherhead 100

Since 1987, the Weatherhead 100 has been the event that showcases the fastest growing companies in Northeast Ohio. Qualifying companies must show consistent growth over the last five years. This year, Richfield's OEConnections and Ohio Realty Advisors have again been named to this prestigious list - a testament to hard work, commitment, innovation, and the dream to succeed. Congratulations!

Best wishes to all for a Happy Holiday Season!

President

July 29 is the date for the 2012 Sweet Corn Challenge.

We will be initiating more Internet advertising this year and our sponsors will receive an even higher presence. Be associated with this successful event by being a sponsor. Advertise your organization while supporting a healthy and fun activity for individuals and families.

Chamber Board of Directors Openings Offer Input and Networking

The Chamber Board of Directors is comprised of the four officers and the chair of each committee. Chairs are always needed. If you can serve as Membership, Marketing or Website chair for 2012, please send your name to the Chamber office at mail@richfieldchamber.com.

The board meets on the second Tuesday of each month at 7 a.m. Serving as an officer or committee chairperson offers an excellent opportunity to guide the business community and the Chamber and is a great networking venue. It is a nice group of business-minded people.

American Cancer Society's Revere Relay For Life

Businesses are being offered an opportunity to become involved in a variety of ways with the American Cancer Society's Revere Relay for Life -- which is a fun-filled overnight event, designed to celebrate cancer survivorship as well as raise money for research and programs sponsored by the ACS, where participants walk or run laps around a track. The event will be held Saturday and Sunday, June 23-24, from 3 p.m. to 9 a.m. at Revere High School.

Businesses can help sponsor the Relay, have a representative serve on the event planning committee, have a team and/or cancer survivor(s) participate at the Relay, and/or volunteer at the event. For more information and/or to get involved, e-mail revererfl@gmail.com or call Karen at 330-659-4750.

LOOKING AHEAD TO 2012

The Chamber's first luncheon speaker of the new year will be Robin Sacks. She will speak on New Year's resolutions for your business.

Put it on your calendar now because it will be right after the holidays on January 4.

BUSINESS BOOKS

For those of you that have time for only one business related book a month, the Richfield Branch Library has gone into the shelves to narrow down trending title suggestions.

Say This, Not That: How to Build Trust and Motivate Others With the Right Choice of Words
by Dave Durand.

The Crossroad Publishing Co. 2011.
ISBN: 978-0824526252. \$14.95

This is the time of year when you might have pulled off the shelf or ordered Eat This, Not That by David Zinczenko in the hopes that while the hectic “be here and there” level increases, your cholesterol from eating on the run does not. Basically- you are trying to take care of yourself with the resources around you and make better choices. Why not then, in the same vein of optimal health, apply the same principle and go after optimal communication for better health of the company and employees?

The tongue (since food was brought up) is mightier than the sword. Wrong words can hurt. Misused words can zap motivation.

Misguided and misspoken words can cause rebellion, or worse- silent stewing and mistrust. If you have time for just quick lessons from this book- seek out the boxes of bulleted “Say this” phrases to Connect, Build Trust, Define the Direction, and handle common emotional/stressful situations.

Say This, Not That will give you phrases to adopt, things to say “instead” that will get discussions out of a rut and back on the road.
