Hello Everyone,
I hope you all had a wonderful holiday season and I wish you all a very Happy New Year!

Due to the current spike in COVID-19 cases, our board has decided to postpone the annual banquet until March 16, 2022. It will still be held at Venue South and our speaker will be Milan Kosanovich, the supervisory agent in charge of the White-Collar Crime Division of the Cleveland Office of the FBI. He will be speaking on protecting your business from scams and cyber fraud. We will also be presenting the award for the business of the year and the beautification award. We hope to see you all there!

In case you missed it, at the November luncheon we confirmed the 2022 board members as follows: P. Lynn Seifert, Esquire as President, Mark C. Yantek as Vice President, Justin Hamlin as Treasurer, and Jennifer Stencel as Secretary.

I am very excited to serve as your board president this coming year. Thanks to all of you for your ongoing support of the Chamber, especially as we navigate through many COVID-19 related challenges.

I hope you all have a wonderful New Year!!

Friends of Crowell Hilaka is changing its name

With the new year comes a new name for the Friends of Crowell Hilaka (FoCH). Effective January 1, FoCH will begin doing business as Friends of Richfield Heritage Preserve (Friends).

While its name may be changing, its mission and passion remain the same--to preserve, protect, enhance, and promote Richfield Heritage

Preserve (formerly Crowell Hilaka).

The Friends group will continue work on its ongoing efforts: Kirby's Mill restoration, historic home stabilization, native species restoration, invasive species removal, outreach, education, and fundraising. The group is also resolved to do more by planning and implementing great ideas for the park's future.
