CVCC offers job fair for businesses

Cuyahoga Valley Career Center is hosting its annual Job Fair on Thursday, March 2, from 2-5 p.m., and is now registering businesses to participate. It is recommended that businesses register and pay the registration fee as soon as possible to be included on more marketing materials. Early registration could provide a more premium location in the fair. Tables are limited for the event. For more information, contact Martha Sluka, Career & Community Resources Specialist, at mssluka@cvccworks.edu, or call 440-746-8260. CVCC is located at 8001 Brecksville Rd., Brecksville.

FEBRUARY 2023

PRESIDENT'S CORNER

Mark C. Yantek

These early months are often a time for businesses to review the year just ended, and to implement plans for the year that is emerging. One element often overlooked is collaboration. Virtually every business, large or small, public or private, benefits from interaction, consultation and competition with others in the business community. This is where the Chamber of Commerce shines!

We exist as a resource for you to interact with others in the Richfield business community – people you might not otherwise have the opportunity to encounter and engage with. When we support one another that energy and our efforts come back

to us as a positive return on investment. Everyone wins!

So, if you haven't yet renewed your membership in the Richfield Chamber, do so without delay, and encourage others to do so, as well. And make it a New Year's resolution to attend our monthly luncheon meetings. You'll be glad you did.

2023 'Links for Education' Golf Outing

The 2023 Links for Education Golf Outing – sponsored by GMS – will be held on Wednesday, June 14, at St. Bernard Golf Club in Richfield. A portion of the event proceeds will fund the Chamber's scholarships for graduating seniors within the Revere School District. Over \$100,000 has been awarded since its inception.

This year, because of a golf cart shortage, we will have to limit the number of golfers to 80. Registrations will be taken on a first come basis so you'll want to sign up

to participate as soon as possible after the registration form becomes available. You also won't want to miss out on the various sponsorship opportunities that will be offered. More information on this will be presented in the March Chamber newsletter.

If you're interested in serving on this year's planning committee and/or would like more information about the event as well as sponsorship opportunities, contact Karen Smik at 330-659-4750 or kls1650@roadrunner.com.

To celebrate the 30th anniversary, Regina Health Center will be hosting multiple events in 2023, including special resident activities throughout the year. Raising critical funds will also be important for capital projects, endowment growth and resident programming.
