Dear Chamber Member:

The Northern Ohio Area Chambers of Commerce (NOACC) has entered into an agreement with Sedgwick and will be using them solely as of today for the purposes of the promotion of workers' compensation in relation to Third Party Administration and Managed Care.

If you are currently using a different company for TPA services, please reach out to that company for any questions you might have regarding the current service. If you wish to switch your service to Sedgwick, please complete this online [AC-3 form](#), or the paper version attached and someone from Sedgwick will get back to you. This form allows Sedgwick to contact the BWC and request some basic information about your company to assist in quoting and answering any questions you might have.

As we continue to reach out to members to introduce Sedgwick, you may receive an email or phone call from one of the contacts below regarding the program.

Sincerely,

Cindy Holzheimer

The limited letter of authority provides access to the following types of information relating to our account:

This authorization does not include the authority to:

Completion of the temporary authorization provides a third-party administrator (TPA) limited authority to view an employer's payroll and loss experience. By signing the AC-3, the employer grants permission to the BWC to release information to the employer's authorized representative(s). The form allows a third-party representative to view an employer's information regarding payroll, claims and experience modification.

Attention group rating prospects:

- Employers may complete the AC-3 for as many TPAs or group-rating sponsors they feel are necessary to obtain quotes for a group-rating program.
- Group sponsors must notify all current group members if they will not accept them for the next group-rating year. The deadline for this notification is prior to the last business day in October for private employers and prior to the last business day in April for public employers.
- All potential group-rating prospects must have:
 - Active BWC coverage status as of the application deadline;
 - Active coverage from the application deadline through the group rating year;
 - No outstanding balances;
 - Operations similar in nature to the other members of their group.
- Any changes to a group member's policy will affect the group policy. Changes can result in either debits or credits to each of the members.

Note: For complete information on rules for group rating, see Rules 4123-17-61 through 4123-17-68 of the Ohio Administrative Code or your TPA. All group-rating applicants are subject to review by the BWC employer programs unit.
