## NOVEMBER 2025

### PRESIDENT'S CORNER

Mark C. Yantek

November is the eleventh month of the year, and in many ways it's also the "eleventh hour" month: the year is nearly over, and we still have so many loose ends to tie up. In our businesses, we are reconciling accounts and putting on the final push to ensure a successful year-end, all while planning customer appreciation events and holiday office parties. So much to do, and so little time left in the year to accomplish it all.

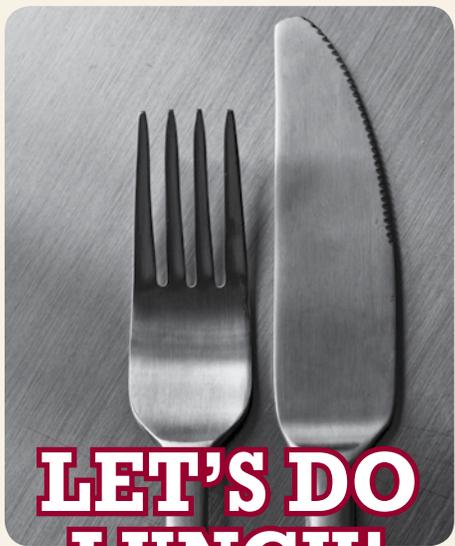

At the Richfield Chamber of Commerce, we, too, are dealing with our own "eleventh hour" items. Perhaps most important among them is Chamber membership renewal. We exist *for* all our members and *because* of our members. We aren't relevant without you. We, as the Chamber Board, are excited and optimistic for another year of promoting and advocating for our local Richfield business community. Membership dues are modest and reasonable, but the value you receive is exceptional. Each month, you have the opportunity to attend our business luncheons, where you can network with other local business professionals and hear engaging and knowledgeable speakers.

Our monthly newsletter affords you the opportunity to showcase events about your business. Our new-business ribbon-cutting events provide additional networking and socializing opportunities, and our fundraisers allow you to support, and participate in the Richfield business community.

Our 2026 membership packets will soon be in the mail and on their way to you. We encourage all our current Chamber members to renew your membership now for 2026. It only takes a minute or two, and then you'll have one less "eleventh hour" item to attend to at this busy time of year.

We encourage others in our Richfield business community to become members, if they aren't already. A robust membership roster helps to ensure that we are stronger and more effective. We need you, so renew your membership as soon as your packet arrives.

**As a Chamber Member,**  
if you have an event, special promotion or recognition that you would like included in the monthly newsletter, please submit a press release to mail@richfieldchamber.com by the 20th of the month. Your release should be in paragraph format of 100 words or less. Attachments will not be accepted.
